

## Price List

Membership works on a points system. You start by selecting whether you want to get behind the wheel of cars from the Classic Car Club fleet or the Carbon Fiber Collection. From there, you can add on additional points from either fleet to give yourself a customized driving experience that spans 60's American muscle up to modern European supercars.

**750 CCC points:** 35 days driving in the classic fleet for \$8,000

**1,500 CCC points:** 65 days driving in the classic fleet \$12,000

**360 CFC points:** 13 days driving the high-end supercars for \$10,800

**750 CCC points and 120 CFC points:** 30 days driving in the classic fleet and another 5 in the supercars for \$11,960

\*Initiation fee of \$1,500 applies to the first year of membership.

# Join The Club. Drive The Cars.

# What Exactly is Classic Car Club?

First and foremost, we are car enthusiasts, offering you a membership in a special club we created back in 1995. A club that lets you take your pick of jaw-dropping classics and modern supercars to drive as if they were your own, whenever you want.

From coupes to convertibles, trucks to sports cars, design wonders to the brutally powerful, we own, insure and maintain in tip-top condition a staggeringly stylish range of classic and modern automobiles that you can simply collect and drive away. All you need to do is become a member.

To become a member, you pay a one-time joining fee and thereafter an annual subscription. After your membership is activated, your only additional cost is the fuel you use. All other costs associated with owning and operating the cars - fully comprehensive insurance, maintenance, repair, storage, security and breakdown recovery - are covered by the club.

But it's just not the cars. It's the experiences too. As a private members' organization, Classic Car Club hosts dozens of fantastic events every year. Whether you want to rally a Subaru through the trees, apex a Radical race car on the track, tour through Europe or kick back at our club with fellow members, Classic Car Club can provide.

For further information on how Classic Car Club can improve the quality of your motoring life, come by the club for a drink and a tour.
